

The Care Act (2014)

Principles of Wellbeing

Being treated with dignity and respect.

My physical, mental health and emotional wellbeing.

Protection from abuse and neglect.

Control over my day to day life including my support.

Taking part in work, education and training or recreation.

My social and financial wellbeing.

My home, family and personal life.

The right home for me.

Giving back to my community.

I have a right to be involved in decisions about my support.

Care Act is a legal right.
