

How to set up

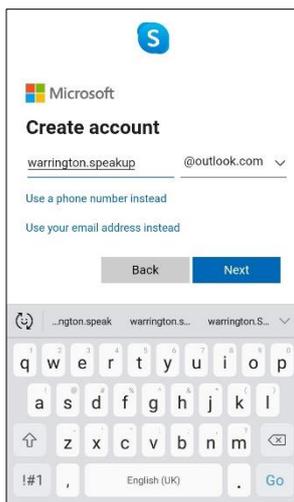

Step 1:

Download Skype.

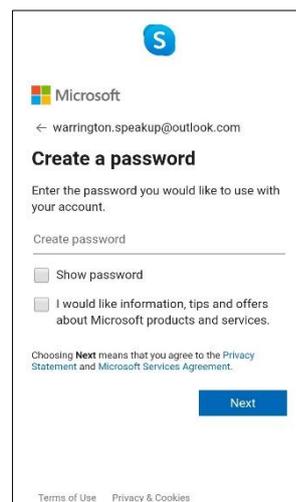

Step 2:

Sign in if you have a **Skype**, or microsoft account. Click **Create one!** if you don't.

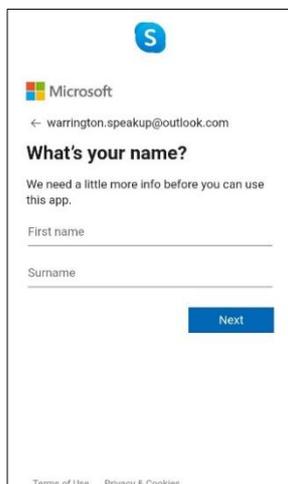

Step 3:

Create an account, follow the instructions and type in your email address.

Step 4:

Create a strong password (see staying safe online information sheet).

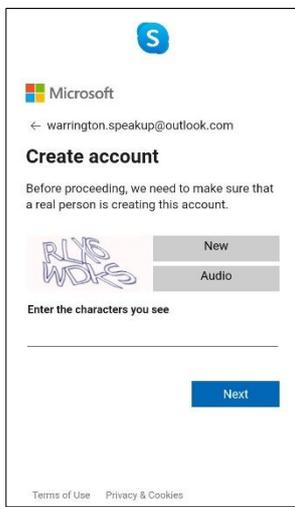

Step 5:

Type in your full name.

Step 6:

Type in the date you were born.

Step 7:

Type in the funny letters and numbers. This is to make sure that you are a real person and not a robot!

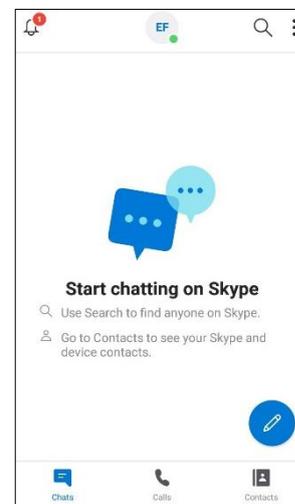

Step 8:

Click which background (theme) you want, and press continue.

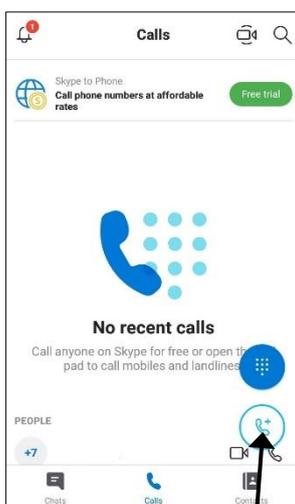

Step 10:

If you are using **Skype** on your phone it will sync up people who are on your contact list.

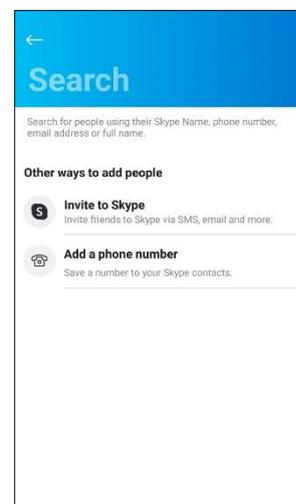

Step 11:

You can search for people who you want to connect with (start chatting).

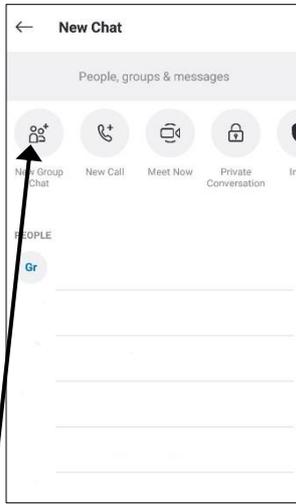

Step 13:

You can video call people on **Skype** using this button only.

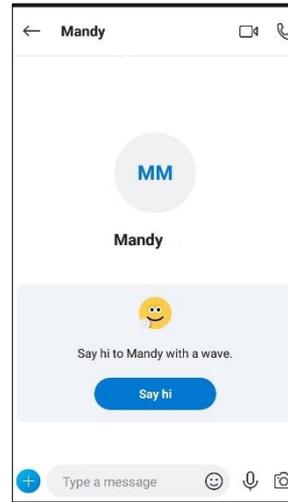

Step 12:

You can invite people to **Skype**.

Step 15:

Click on this button to create a group chat, to video call more than one person.

Step 14:

You can send a message to people.
